EXCLUSIVE MEDICAL AGENCY
HOME OF MEDICAL EXCELLENCE

HOME HEALTHCARE

Exclusive HEALTHCARE

As a team of health professionals, we understand that recovery and need of care does not end in discharge from the hospital. We also understand that our loved ones cannot be there always to take care of us at home hence we have set up this service for the continuity of care at your chosen home. We cater mostly for patients whom is no longer necessary to be in hospital to continue their recovery process. What better way is it for you or your loved ones to be in a environment that promotes Healing in its entirety than being with your loved ones at home. Exclusive medical will provide a care worker or nurse/ nurses depending on your treatment needs. Day or/and night at your preference

Transport

Exclusive Medical Agency also provides luxurious transport to patients to their medical check ups and medical appointments for their medical services ; eg radiation centers etc . **cost per distance**

01 24/7 Availability

A licensed physician will be on call and will come check on you or your loved one as often as necessary to make sure your recovery is on track.

Partnership

We have partnered with the AMPATH LABORATORIES should any need of blood work to be done, it will be done at the comfort of your home.

02 Professional Staffs

The primary rationale for professionalism and collaboration is to promote patient safety. Health care is delivered by teams of professionals who need to communicate well, respecting the principles of honesty, respect for others, confidentiality and responsibility for their actions

HOME OF MEDICAL EXCELLENCE

Exclusive will also provide a physiotherapist that will come and assist professionally how your movements should be to aid in your or loved one's care and recovery. We have the necessary tools in place to aid in your recovery process so don't hesitate to call, email or WhatsApp for questions and more information.
